KYBER PAKHTUNKHWA: This province is made for tourism, it has one of the oldest civilisation in the world or you can say maybe world starts from here. And it is my honour to re-introduce history, culture and tourism with my own style through tourist map. This map is going to help many local and International tourists for sure. I would like to dedicate this tourist map to this year 2021 which is going to be very special for Pakistan Inshallah.
